BACHELOR OF SCIENCE IN NURSING

AT CALIFORNIA STATE UNIVERSITY SAN MARCOS

The RN to BSN program is an accelerated, online program designed for registered nurses currently holding an associate degree (ADN). This fully online program will give nurses the opportunity to earn their BSN in just 14 months.

WHAT YOU'LL LEARN

The nursing program at CSUSM prepares students for multiple career tracks within the profession. Students who complete the undergraduate program will have the knowledge and skills for general nursing practice, will be well prepared for entry into graduate-level nursing programs and will be qualified to assume leadership roles in healthcare organizations, clinics and community agencies.

PROGRAM DETAILS

Program Schedule: The RN to BSN program requires 14 months of study and is broken down into eight-week classes in the fall and spring semesters, and 10-week classes during the summer semester. Unlike other RN to BSN programs, CSUSM builds in breaks between semesters and holidays to allow you to pursue your education without compromising your life and family priorities.

PREREQUISITES

To enroll in the RN to BSN program, CSUSM requires students to hold an associate degree in nursing and an active RN license. Aside from the degree and license, a small list of previously completed courses are required.
